

# Seminar in Growth, Education, and Inequality

Summer 2016

Dr. Christian Bredemeier

The seminar covers topics in growth, education, and inequality. Each student will be assigned to a research paper in this field which represents her or his topic. Students write a seminar paper about their topic. They present their topics in the seminar and discuss them with each other. Students are expected to participate actively in the discussions.

Assessment is based on

- seminar paper (15 pages),
- presentation (20 minutes including clarifying questions) and discussion (10 minutes),
- participation in discussions on other topics.
